SSM Health St. Mary's Hospital Foundation

Health care powered by generosity.

Dear sponsors and partners in health,

SSM Health's hospital foundations in Southern Illinois are joining forces to take a **bigger SWING** at lifting health care in our local area. Please plan to join us for the NEW **2025 Golf Par-Tee** in support of **SSM Health Good Samaritan Hospital Foundation** and **SSM Health St. Mary's Hospital Foundation**. The Golf Par-Tee will be held **Friday, May 9, 2025**, at one of Southern Illinois' golf destinations, the beautiful Green Hills Golf Club in Mt. Vernon, IL.

Together, we are raising much-needed funds to meet the most pressing needs of individuals and families throughout our regional community. **All proceeds from this event remain local** and will help address our greatest needs in Jefferson County, Marion County, and our surrounding communities – focusing on what matters most: delivering compassionate care to those who need it most.

Your support ensures when people need health care, someone is there to help. In 2024, support from our Foundations directly impacted our ministries by...

- Providing **transportation to medical appointments for over 400 area residents**, who otherwise would not have had access to the care they needed.
- Providing **more than \$70,000 for hands-on training modules** to ensure our caregivers have the most up-to-date and advanced skills in health care.
- Providing **more than \$100,000 in technology, equipment, and support services** to ensure our patients receive the highest quality of care.

Through the hearts and hands of our extraordinary caregivers and staff, we help build healthier communities. We hope you'll join us in supporting local health care in Southern Illinois.

Your attendance is important. Your presence is impactful. Your partnership makes a difference.

In gratitude,

Damon Harbison
Hospital President

Kay Zibby-Damron
Foundation Director
